Dear Fellow Parents and Guardians,

Benedicite!

We, the PA Board for School Year 2021-2022, wish to express our most heartfelt gratitude to you for the support you have given to all our projects. Without your generosity of your time and treasure, we would not have been able to accomplish what we have done.

Despite the challenges we faced, we were able to successfully hold activities that reinforced the familial bonds within our school community. We were able to continue on with our monthly First Friday Mass through the generosity of several families and we also revived our celebration of the Annual Family Day. In addition, we introduced other projects such as the Christmas Community Pantry for the school staff, the Charity Art Auction where we promoted the creative talents of the students, the Wellness Weekend where, together, we pursued overall mental and physical well-being, and the Year-end Teacher Appreciation gift-giving. Most importantly, we capped off the academic year with the Dum Spiro Spero 2 Online Fundraising Concert for the benefit of the Iskolar Ni San Benito Program. This, and all our other fundraising activities during the year, have allowed us to support three (3) academic scholars for this school year 2022-2023.

I believe that this past year, we have proven that, even during difficult times, by working harmoniously together, we can achieve great things that benefit our school community and beyond. It has been a great pleasure working with all of you in service of the SSCW community, and we look forward to your continued support and cooperation in our future endeavors.

That in All Things, God may be Glorified!

Sincerely,

Mrs. Jennifer Ayn G. Abueg
PA President SY 2021-2022
